

Linkway Honda as a premium automobile dealership has built a reputation of catering to the most demanding needs of its customers. With a dedicated team of professionals looking after sales, service, insurance etc, Linkway Honda is a one stop shop for all your automobile needs.

To keep your car going on and on for miles together, its imperative to keep it in a peak performing condition. For that you would need a Periodic Maintenance Plan (PMP) to review your car's performance over a period of time and ensure that it always up and ready for you.

Benefits of choosing our (PMP):

- Significant Time and Cost Savings
- Continued top performance
- Enhance the Resale Value of your car
- Service appointments at your convenience
- Minimizing Chances of a breakdown
- Other Value added services at no extra cost.

And that's not all, at Linkway Honda, to serve you better by saving time, we also pickup and drop your car for servicing on request. So, why not drop in today to get your car a Linkway Honda (PMP) or [Click here](#) and we will get in touch with you.
